

# Contents

- 1 Amateur Astronomy and Its Aging Practitioners** ..... 1
- 2 Why Astronomy?** ..... 7
  - Choosing What Kind of Backyard Astronomer? ..... 9
- 3 Keeping Healthy, Active, and Backyard Astronomy** ..... 21
  - General Principles of Aging and Health ..... 22
  - Social Activity in the Later Years..... 29
  - Maintaining Mental Health ..... 30
  - More on Exercise ..... 32
  - Stress Is Destructive to the Body ..... 33
- 4 Older Eyes, Cataracts, Lasik and Laser Eye Surgery** ..... 37
  - Nutrition and Good Eye Health ..... 38
  - Disorders of the Aging Eye..... 39
  - Cataracts and the Impact on Telescope Use..... 41
  - Cataract Surgery..... 44
  - Post-Cataract Surgery Recovery and Issues..... 46
  - LASIK Surgery ..... 48
  - LASIK Surgery Incompatibility with Cataract Surgery ..... 52
  - The Role of Sunglasses and UV Radiation..... 52
- 5 Telescope Equipment and Growing Older**..... 55
  - Single Large Telescope at Age 70+..... 56
  - Multiple Telescopes at Age 64..... 57
  - Telescope in an Observatory at Age 68..... 57
  - Telescopes, Aging, and Physical Strength ..... 59

Telescope Eyepieces and Aging Eyes ..... 60

Normal Age-Related Vision Changes ..... 61

High Tech Versus Low Tech..... 64

The Role of Binoculars ..... 68

Binocular Basics ..... 69

Binocular Prisms: Porro Versus Roof ..... 71

Field of View ..... 71

Deciding on Binoculars..... 72

Solar Observing ..... 74

Solar Filters ..... 75

Recommendations for Older Astronomers..... 78

Stay Seated..... 84

Binoviewers ..... 85

**6 Astronomy Clubs, Public Outreach, Star Parties, and Staying Social in Later Years..... 89**

Astronomy Clubs ..... 90

Public Outreach..... 90

Star Parties ..... 91

Typical Large Star Party..... 92

Star Party Etiquette ..... 97

**7 Physical and Environmental Challenges of Astronomy in Later Years ..... 103**

The Threat of Hypothermia..... 103

Observing in the Fall and Winter ..... 105

Heat Stress and Older Adults ..... 107

Dressing for Success in Spring and Summer ..... 108

**8 Travel, Astronomy Tourism, and Getting Old..... 111**

Leisure Travel and Astronomy ..... 111

Top 10 Astronomy Destinations..... 114

U.S. State Department Travel Recommendations..... 119

**9 Common Sense, Light Pollution, and Astronomy ..... 123**

Buying a Telescope ..... 123

Observing and the Importance of Dark Skies ..... 128

**10 Wheelchair Astronomy ..... 135**

Scenario 1— Wheelchair Astronomer with a Caregiver..... 136

Scenario 2— Wheelchair Astronomer Alone..... 136

Scenario 3— Wheelchair Astronomer with Additional Disabilities:

Open the Window..... 139

Observatory ..... 141

Observing Site..... 142

**11 The Afterlife of Telescope Equipment and Astronomy Books.....** 143  
     Wills and Living Trusts—Astronomy Loving Families..... 145  
     Wills and Living Trusts—Families Who Have  
     No Interest in Astronomy..... 145  
     Options for Disposition of Heirloom Grade Telescope Equipment..... 146  
     Selling Through an Estate Auction ..... 146  
     Selling Through eBay Auctions ..... 147

**12 Final Thoughts ..... 151**

**Appendix A: Telescope Basics..... 155**

**Appendix B: Color Filters Use..... 177**

**Appendix C: Common Telescope Formulas ..... 181**

**Appendix D: Astronomical League Observing Programs..... 183**

**Appendix E: North America Star Parties..... 185**

**Appendix F: Messier Catalog..... 187**

**Appendix G: Selected Non-Messier Catalog NGC Objects ..... 193**

**Appendix H: The Caldwell Catalog ..... 201**

**Appendix I: The Herschel 400 ..... 205**

**Glossary ..... 223**

**References..... 227**

**Index..... 231**
