GECO GOLD binoculars

The binoculars in the GECO Gold line belong to the absolute premium class. HD glass lens design combined with state-of-the-art multilayer coating ensure top optical values for transmission, field of view edge definition, close focus and color fidelity. All lenses are dirt- and water-repellent thanks to the hydrophobe GECODrop coating. The innovative microbridge comes in a high-quality and particularly ergonomic design. Magnesium housing, coated magnesium bridge and rotating, aluminum eyepieces in premium quality create maximum robustness at minimum weight. Diopter adjustment was integrated in the central focusing knob. Anyone looking for extremely fair value for money without compromising on binocular quality will find what they need right here. All products have a tripod connection and come with a shoulder strap, hard case and a 10-year warranty.
